Permit Number: OCRM-07-206-E
Permit ID: 61192

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Myrtle Beach Farms Co., Inc.
c/o Coastal Science Associates, Inc.
PO Box 11687
Columbia, SC 29211

LOCATION: On and adjacent to the Atlantic Ocean between 8th Ave. North and 9th Ave. North, Myrtle Beach, Horry County, South Carolina. TMS#: 181-07-04-001.

WORK: The work as proposed and shown on the attached plans consists of constructing a portion of a public oceanfront promenade. The overall project includes the construction of a public boardwalk and amenities from 1st Ave. North to 14th Ave. North. This permit application covers a one-block section of the project not controlled by the City of Myrtle Beach. In this area, between 8th Ave. North and 9th Ave. North, the applicant proposes to construct a promenade walkway, landscaping and shaded seating areas landward of the baseline. Seaward of the baseline the project consists of a wooden boardwalk with benches extending out to the landward edge of the primary dune an average distance of 20', with a 50' wide set of beach access stairs in the center of property and an 8' wide handicapped access ramp. The purpose of the proposed activity is for public recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition. The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.
